"All the world's a stage
And all the men and women merely players.
They have their exits and their entrances,
And one man in his time plays many parts,
His acts being seven ages."

In this age of atomic power these immortal words of William Shakespeare still hold truths for us as youth of a modern world. We do play varied roles from industrious students to "Football Queen" or "President of the Student Body." Our life has many phases—sometimes happiness, often disappointments. All these forces work together in our school year to make our lives well-rounded and to prepare us to face the future with confidence. We, the Oak Staff of 1958, hope you will keep this in mind as you turn through the pages of this book; reliving the roles you have played this past year with us.

Basketball

The 1957-58 Adamson Leopards showed a great deal of hustle and ability in the 6-AAAA basketball race this year. They finished second only to District Champion Crozier Tech with a record of five wins and three losses. The Leopards picked up momentum as they went along and finished strong with a resounding 51-41 victory over arch-rival Sunset. The team shows great promise for next year, since three of its starters will return as well as the core of the bench strength. All in all this year's team was indeed one to be proud of.

TOUGH COMBINATION

Roger Ellis, Noel Roberts, and Benny Johnson provided a tough 1-2-3 scoring combination for Adamson that proved too much for Sunset to cope with.

It was Ellis, the Leopards' 6-5 center, who sank a charity toss to put Adamson ahead for keeps with 2:45 to play in the third quarter. Ellis' free throw gave the Leopards a 43-42 lead, and they swelled the advantage the rest of the way as Ellis hit from close-in, Johnson connected from the corners, and Roberts popped them in from outside the keyhole.

Ellis was Adamson's top point-maker with 21 points. Roberts had 16, 12 of which came in the second half, and Johnson contributed 15. Game honors, however, went to Pete Stonestreet of Sunset, who had 22. David Steel of the Bisons scored 21.

called Saturday in the North Dallas-Crozier Tech contest. Five players weren't around at the finish, as Jefferson won its fourth game in five district starts, 63-40.

Noel Roberts set the other season "high" Wednesday with a 36-point performance as he led Adamson to a 61-47 victory over North Dallas. It was the fourth win in a row for the Leopards, and Roberts became the first city cager

The little Adamson guard, who stands 5-11 and tips the scales at 140 pounds, was deadly on a long jump shot and had 22 points by halftime. North Dallas built their defense to stop him in the third quarter; but then Roger Ellis and Benny Johnson took over the scoring chores for the Leopards.

The Bulldogs were forced to relax their defense on Roberts in the final period and he closed with a flurry, hitting his 36th point with 4:10 left in the game. Roberts sat out the rest of the contest satisfied that during the 28 minutes he had played he had scored as many points as the opposing team. When Roberts made his exit, the Leopards were leading, 59-36.

Roberts, who went into the game as District 6-AAAA's No. 3 scorer with a 14-point average, sank 16 of 17 free throws and 10 of 18 field goals. He accounted for better than half his team's total of 61 points. Johnson and Ellis had 11 and 9, respectively.

North Dallas was paced by Clarence Larson, with 15 points, and Buddy Gross, with 12. Gary McBride, their top scorer for the season, was held to 9 points.

Adamson, which had been anything but impressive in first two District 6-AAAA games, turned in its best offensive showing of the season — thanks to some fine outside shooting by Noel Roberts and Bob Blair and the rebounding and close-in shots by 6.5 Roger Ellis.

It was Roberts who arched in a long set shot to give the Leopards a 6-4 lead with 3:45 remaining in the first period—and Adamson was never headed. Ellis' jump shot with 2:15 left in the opening canto gave the Leopards an 8-4 advantage, and South Oak Cliff never got within 4 points the rest of the night.

The Leopards were uncanny at the free-throw line, sinking 25 of their first 29 attempts. Only in the fading minutes, with reserves playing, did Adamson lose its touch at the charity line—missing on the last three free throw attempts.

Roberts, with 18 points, was high scorer for the Leopards. Blair, who has been used as a sub all season, was runnerup with 13, and Ellis contributed 12. Mike Imhoof led the Golden Bears with 18 points.

Sunset matched Adamson point-for-point for the first half, but couldn't keep up the pace in the last two quarters. A driving layup by Gilbert Montalvo with 10 seconds left in the first half gave Adamson a 22-21 lead at intermission.

In the third quarter, the Leopards took right up where they left off at the halftime, with Roberts hitting a long jump shot 20 seconds deep. Montalvo's free throw made it 25-21, and three charity tosses by Johnson gave the Leopards a commanding 28-21 advantage with 6:30 remaining in the third period.

Roberts and Johnson each had 15 points for the winners, but yielded scoring honors to Sunset's Pete Stonestreet, who had 18.

IT SLANTS Adamson '58 Cage Surprise

By JOHN PATTON
Tribune Sports Editor

Adamson's basketballing Leopards bounced back into the round ball limelight this week with a resounding victory over highly regarded South Oak Cliff. Right now, at this writing, the Leopards hold second place in the city district 6-A AAAA race behind another big 1958 surprise, Rosy Adkisson's Tech High Wolves.

Since the days of Larry Showalter back in the early 50's the Leopards haven't had a good competitive team. Though they failed to win a city title when the unforgettable Showalter was playing they were always a threat. This year they seem to be in the same category. But instead of one star or standout the Leopards have a well rounded ball club with plenty of height.

The Faculty-Varsity Basketball Game

Feb. 6, 1958

The faculty "all-star" team, led by old grads Tom Chandler, Ed Cason, and Olie Johnson, met defeat today at the hands of the varsity quint to the tune of 42-24. With referees Verde Dickey and J. B. Head calling an "unprejudiced" game, the faculty caught fire in the last quarter to score thirteen points. This was due to their scheming tricks, such as Kenneth Brashear on top of the backboard, and their secret weapon, Olie "hot-shot" Johnson, who was later voted the game's outstanding player. The overflow crowd of 431 was treated to many humorous feats, such as Jerome Madison's long set shots and Jake Carter's Globetrotter pants. The outstanding play of the game was Ed Cason's dazzling hook shot from almost half-court, which was really a pass for Brashear perched on top of the backboard. However, all of this was to no avail for their deficit was too much to overcome.

2 Marathons In Prep Play

By WALTER ROBERTSON

They almost had to hang up the called-on-account-of-exhaustion signs but Adamson and Hillcrest managed to hang on to score identical 3-2 victories in two high school baseball marathons Wednesday night.

Adamson kept its District 11-AA record clean by outlasting arch-rival Sunset in 20 innings at Higgins Field.

Hillcrest evened its record for the year in District 10-AA by whipping Thomas Jefferson in 13 innings at Reverchon Park.

The Adamson-Sunset battle, believed to be the longest on record between two Dallas high schools, lasted almost four and a half hours, finishing just before midnight. The Hillcrest-Jefferson game was just a few minutes shorter.

A "squeeze" play finally broke up the marathon at Higgins Field in the last of the 20th with one out after Adamson runners had been thrown out at the plate 14th, 15th and 19th innings. Dan Dennison's point in front of the plate sent Bo

Adamson squared its bi-district play-off series with Highland Park, 11-1, Wednesday night at Reverchon Park in a game threatened by rain, rhubarb and an umpire's wrath and ended after five weird innings by a 10-round lead rule.

The rhubarb developed first, after Adamson had sewed up the game for all practical purposes with a 6-run outburst in the first inning off Bobby Reed, who was making his first pitching try for the Scots since suffering a back injury last winter.

It came with one out and the seventh Adamson run already across the plate in the second inning when Paul Hankins tried to squeeze home Phil Hipps from third base. The pitch was too far outside for Hankins to reach and Hipps was caught flat footed.

Hankins bumped Scot catcher Dickie Mullen as he applied the tag to the oncharging Hipps. The runner, however, was ruled out automatically for interference by Hankins and Plate Umpire Bill McClaren ejected Hankins on the play.

Players from both teams swarmed around home plate and some engaged briefly in some rather forceful shoving before being restrained by coaches and umpires.

As Adamson came to bat to start the last of the third inning sporting a hefty 7-run lead, a menacing lightning-filled cloud approached the park from the southwest. Having no desire at all to have the whopping lead washed out by rain, the Leopard batsmen curiously began missing pitches by more than the ordinary margin of error.

Highland Park countered with a couple of pitches that missed home plate by more than the usual degree of wildness before McClaren called time out to warn both coaches of such tactics.

Play then settled down to a game somewhat resembling of the nation's favorite pastime until Adamson counted its game-ending run in the fifth inning. Sammy Moorehead raced home from second base when Bobby Durrett spilled Scot Second Baseman Butch Crain on force out.

Adamson had built a 10-run lead with three runs in the bottom of the fourth inning, but Highland Park spoiled it as Jack Collins collected the lone hit off Adamson's slender Buddy Tanner and scored the only Scot run a moment later. He stole second, moved to third on Mike Collins' long fly to right-center and was squeezed home by Reed.

Tanner had retired the first 12 batters he faced before Collins' lead-off smash to right-center in the fifth. Collins was the only Scot base runner of the game.

But Tanner's sterling pitching performance almost went unnoticed among all the extra-athletic activity.

At least one fight broke out among teen-agers outside the park but was quickly broken up. Four squads of police, remember-

ing a near-riot at a high school football game last fall, were on hand as the capacity crowd of 1,200 filed from the park. No further trouble developed, however.

"Pursued"

Charlene:

May you always have the best of everything because you really deserve it. You are a real nice gal; and you have been loads of fun. It was always fun double dating with you and white because you kept everyone laughing the way you all pursued and acted silly. Always stay the same ole sweet and cute (white will shoot me for that) you.

Your friend always,

"Our Thanks"

We sincerely hope that you, the student body of Adamson, will
feel proud of this year's Oak. We, the members of the staff, are
indeed honored to present it to you.

We would like to express our gratitude to those who have made
the production of the "Oak" possible: Mrs. Morelle Moore, who
has worked diligently and sympathetically with us throughout the
year; Mr. Bill Cathy, whose photography helped us immensely;
The Taylor Publishing Company that has been our cooperating
partner in this project; and both the faculty and student body for
their enthusiastic support.

As you look back on this chronicle of events that occurred in your
youth, we trust that it will serve as an adequate and cherishable
record of your days in W. H. Adamson High School.
